To compile a record of involvement—a description through prose and pictures of a year of interaction between students, faculty, and administrators ... the story of students involved in activities, in studies, in life ... this is the job of the **EL RODEO staff.**

It requires more than a photograph and a clever blurb to describe the involvement of a high school year. It requires an interest, but still more it requires a participation and a commitment to that year.

The **1970 EL RODEO** is dedicated to those members of the administration, faculty, and student body who have cared enough to become involved, and in doing so, have left a part of themselves as the ever-changing personality of **Big Spring High School.**

Vocational Office Education is designed for senior students only. These students have a curriculum that combines on-the-job training with classroom units of work developed by the teacher-coordinator and the employer in a written training plan. lee surrenders 29-15 in home stadium

Big Spring's Steers traveled to Midland for their first conference game of the season. They found little resistance in Rebel Land, and they were able to rack up a total of four touchdowns. The Steers had problems on some plays, giving the Rebels opportunities to score twice.

A ▲ B ▼

LINEMAN OF THE WEEK

Robert Dennis started the season off right in Midland. On the defensive line, Robert connected time after time with the Rebels. Coupling his efforts with Tony Dean's tackles, he helped keep the Rebels' rushing down to 142 yards.

LINEMAN OF THE WEEK

Sharing in the Steers' glory is Roy Anderson. Roy distinguished himself in defensive action against the Rebels. Considering how often the Rebels controlled the ball, Roy wasn't in action very long, but Big Spring coaches admired his plays.

BACK OF THE WEEK

Simply taking over the field, Rick Peurifoy walked over the Rebels. Rick carried eight times for an average of 13.6 yards and a total of 109 yards. Rick kept the scoreboard spinning with scores in all but the first quarter of play.

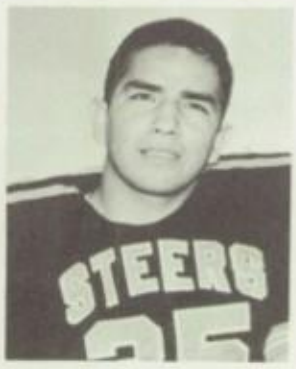
LINEMAN OF THE WEEK

Dave Thomas received the honor of the best lineman. In action against Ector, Dave gave the blocking for the backs who repeatedly drove up the center of the field. On defense, Dave made contact with the passer three times.



BACK OF THE WEEK

Joe Zubiate, fullback for the Steers, carried the ball against Odessa Ector thirteen times for an average gain of five yards. Joe made the first touchdown of the game, and he played a major role in the long, down-field drives against Ector.

The Ector Eagles battled with the Steers in Memorial stadium. During the first quarter, Zubiate made a touchdown followed by Peurifoy's early in the second. Hughes and Holten made the last two TD's after Randy Morgan recovered a fumble. This is the Steers' second 3-AAAA victory.

safety makes difference 15-13 game

When the Steers came before the Cooper Cougars, they were tied for first place in the district, and someone had to come away a winner. To the disappointment of an estimated three thousand Steer fans, defeat met the Steers. A safety in the first quarter of play gave Cooper the edge they needed to win. Never before had any team held Cooper's running game at a stand still, proving the Steers can play ball with anyone.

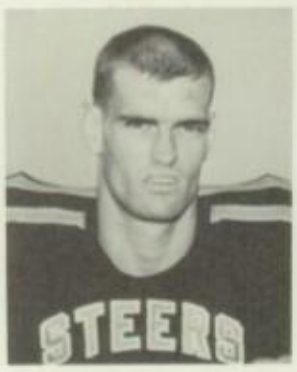
LINEMAN OF THE WEEK

In action against Cooper, Lewis Switzer was singled out to receive honors. Lewis caught two passes for a gain of 44 yards. Abilene had a hard time running past Lewis' blocking. His all out efforts kept Abilene from running up the score.



BACK OF THE WEEK

A consistent ball player, Jimmy Farris, performed superbly under the tension of Steer fans and Cooper's players. Jimmy accounted for his first touchdown pass of the year during this game, and his head-on tackling left definite impressions on Cooper players.

Big Spring met a well matched Odessa team in Memorial Stadium. According to the statistics, one could see no apparent winner, but the Steers' determination and ability to overcome obstacles proved fruitful and ended in a 12-6 victory. The Steers had to make comebacks after being penalized six times for 67 yards. The Steers had difficulty penetrating the Bronchos well distributed defense, but the linemen rode the Bronchos until they broke them in the Steers' style. The Steers slammed into the Bronchos repeatedly, nipping their offense in the bud. Overall, the Steer coaches considered this contest to be a true test of Steer team power.

A—An Odessa carrier is quite surprised as Steve Tidwell stomps in toppling his hopes for a clear run. B—Mike Barnes has an unexpected visitor waiting behind him while receiving a pass from Hinds.

steers peel angry orange

Destroying a hex that has held the Steers back from victory for four years, the Steers learned a new way to skin a cat as they took on the Bobcats in San Angelo. A neck and neck game all the way, the Steers showed a crowd of 9,000 what determination and pride in a team can do. Plagued by fumbles and one interception, San Angelo could not control the ball once they had it, thus giving the Steers opportunities which they put to use. Scoring twice before the half and once again in the fourth quarter made for a frustrated Bobcat defense. Moving through the defense, Big Spring tallied 190 yards on the ground. Using all their time outs, the Bobcats watched the clock tick away with the final score 19-18.

BACK OF THE WEEK

Gary Hinds put on a show for Big Spring fans. Carrying fifteen times with an average gain of over six yards, Gary threw the Bobcats off balance. In his passing game, Gary connected four out of nine times, making those four count well for the Steers.

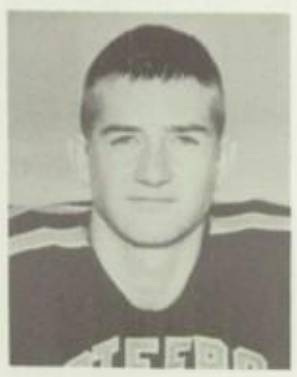
LINEMAN OF THE WEEK

An outstanding player whom the coaches keep their eyes on is Randy Morgan. In action against Midland High, Randy proved himself time and time again. Busting through the line on offense and tackling on the defense, Randy bumped and bruised several Bulldogs.



BACK OF THE WEEK

Senior player Steve Tidwell caught the favor of the coaches this week. Laying waste to the Bulldogs' line, Steve made several impressive tackles. Often at the end of Hinds' passing arm, Tidwell is ever ready to help the Steers pull through.

With firm reliance on the Steers' previous games, the team took on Midland with great confidence. Walking through a field of feathers, the Black Knights from Big Spring romped the Abilene High Eagles in their seventh 3-AAAA contest. Moving through the lines of defense, the Steers bashed and bruised their opponents remembering the frustrations from their last Abilene contest. The Steers scored three TD's for Big Spring fans.

LINEMAN OF THE WEEK

Lineman of the Week honors go to Fillmore Guinn. Fillmore kicks for the Steers as well as performing his lineman tasks. He provides outstanding downfield blocking in all of his attempts, thus paving the way for the Steers' drives against Abilene.

BACK OF THE WEEK

In an outstanding performance against Abilene High, Gary Hinds scored all 21 points, leading the Steers to victory. Gary carried 17 times with a total gain of 95 yards, making Gary the leading ground gainer for the team.

BACK OF THE WEEK

A consistently fine player, Joe Chavez shares the honors of Back of the Week with Gary Hinds. Faking for the Steers on several plays, Joe paved the way for runs up the middle. Joe misled the Eagles just long enough to let Big Spring backs do their stuff.

The Permian Panthers traveled to the Spring City with a determination to corral the Steers in an effort to hold their second place rating. Successful in their attempt and leaving the Steer fans downhearted, Permian left the season with an 8-1-1 record. Making a total of 191 yards on offensive plays, the Steers did not let the game go uncontested. In an all out concentrated effort by the Steers to get on the scoreboard, they drove 63 yards in five plays to make the Steers' only touchdown. a man's life is defined by his commitments; his life's value, by his involvement

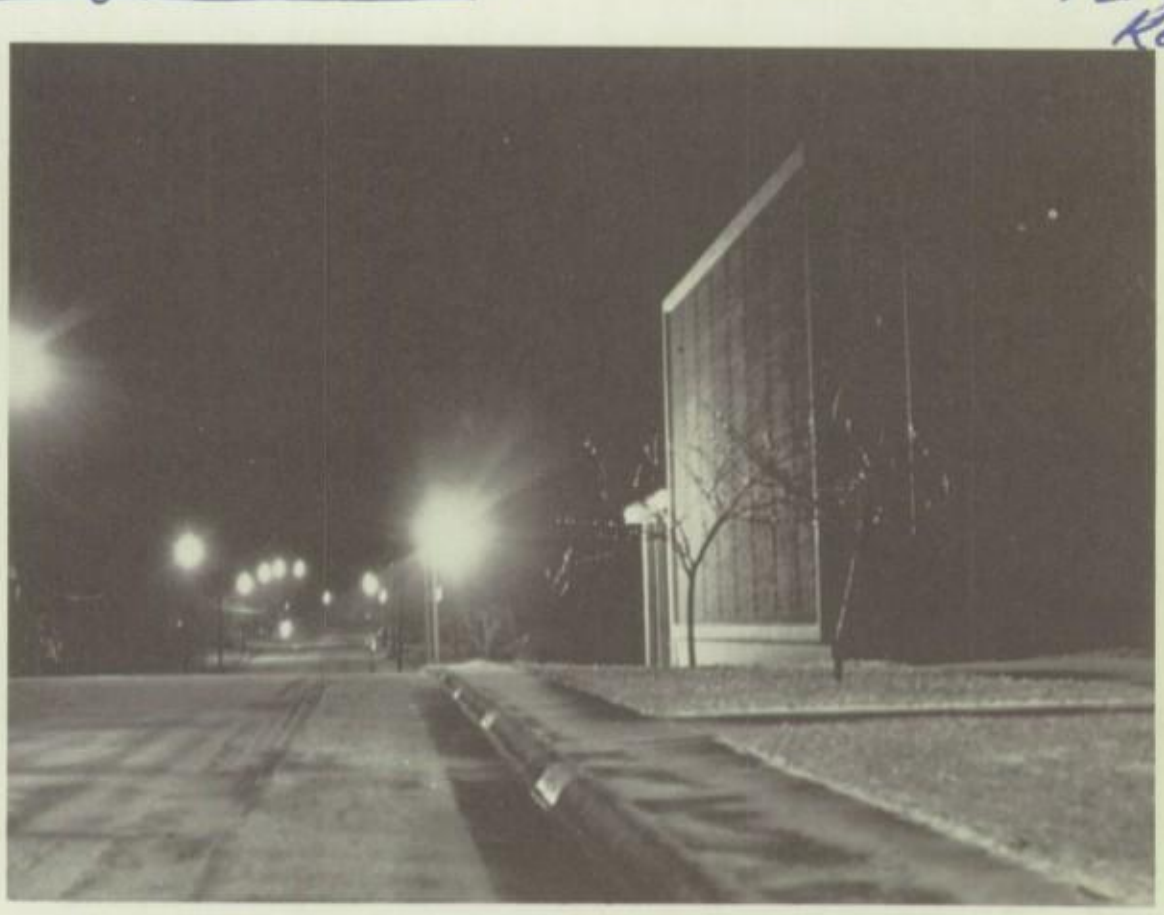
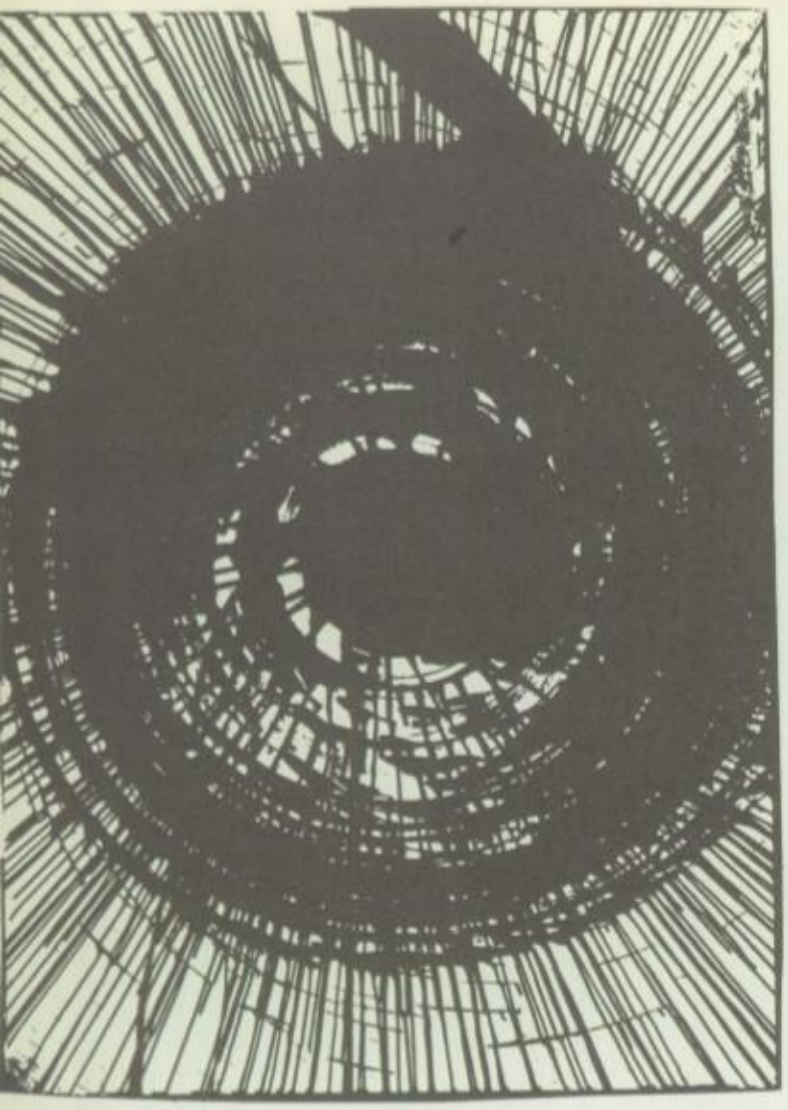
Pam- we've lived only a portion of our lives and this year marks a first step for me. This year ends and I must start again. I must live a life with respect to the past and find happiness again in the future. Your life has touched mine and we will live on. But just because i leave BS and for you leave BS your memory will always be with me. (Pardon my sentence structure, i can't think too straight right now) Thank you for being part of my life. STAY COOL! PEACE, Keith





The theme of the book is **involvement.** Although appropriate to this theme, the meet-your-teacher and join-a-club involvements are far less than I intended. These are important only as levels of achievement. What is more important is that a person answer with a powerful and positive "yes" to life. A non-spectator attitude must be taken. True fulfillment is not found in separation from but concerned connection to life.

my deepest appreciation goes to . . .

Linda Crawford, associate editor and my right hand. Without Linda plugging away at the dirty work, the book would probably still be only half done,

Ellen Gossett, whose sparkling Student Life section truly depicts the involvements of high school students,

Susan Cape, who designed the senior section and set the pattern for the underclassman sections,

Patti Spier, notables editor, whose bubbling personality always added gaiety to the journalism lab,

Robin Hoover, sports editor, who spent many hours putting together a first class sports section,

Mary Ellen Hedges, organizations editor, in charge of tracking down the many organizations and scheduling them for pictures (sometimes twice),

Sue Reinkemeyer, Phyllis Faulkner, Belle Schwarzenbach, Kim Guthrie, Teresa Johnson, and **Judy Rhymes,** those wonderful junior assistants who had the job of matching 1,700 names with the proper faces in the underclassmen sections,

Geren Martin, assistant sports editor, who lent a hand in many ways,

Scott Medford, Bruce Hicks, Ed Frazier and **Author Trevino,** the El Rodeo photographers, who certainly deserve a round of applause. These dedicated photogs were willing to climb mountains and swim lakes, as well as spend countless hours in the darkroom to obtain many of the pictures found in this book,

Mr. Frank Brandon and **Mrs. Clarinda Harris,** who pulled us out of more than one jam,

Mr. Floyd Hobson, Taylor Publishing Co., whose regular visits provided answers for any technical problems,

Texas Tech Journalism Department, for their advice and assistance, and the **administration and faculty of BSHS** who were always willing to give full cooperation.

A most special thanks must go to **Mrs. Erma Steward,** a very special friend of mine. It is not possible to describe the many wonderful ways she has touched my life in the last two years. Without her careful eye, guiding hand, and soft shoulder to rely upon, the task of compiling this yearbook would have been impossible.

Pam,

You're an angel with horns. Notice I didn't say what kind of angel and there are more than those in Heaven! Maybe I shouldn't have said that, h-u-h? Seriously, you're a very sweet girl with a wonderful personality. You've been a bright spot in my life for five years. Keep that smile and life can only hold the very best for you. Be good to David, he's about the only one that can put up with you for any length of time. Really, stay sweet (if you're sweet now) and may God bless you 'cause the Devil sure won't. Be good if that's possible. And let me say bye and it's been fun knowing you. Remember the Aeu band and CR '70.

With love,
